The product(s) on this certificate and the Technical File have been assessed and found to be in conformance with the applicable Essential Health and Safety Requirements in Annex II of the Regulation 2016/425 on Personal Protective Equipment as brought into UK law and amended.

Any changes to the design, manufacturing location or manufacture of the PPE product certified here must be advised to CCQS UK Ltd for review.

UKCA marking shall not be applied until the requirements of all the Regulation 2016/425 on Personal Protective Equipment as brought into UK law and amended and relevant UKCA Designated standards and/or technical specifications have been met.

If the certified product is Category III then this certificate is only valid if used in conjunction with Conformity Assessment against Module C2 or Module D.

This certificate remains the property of CCQS and maybe withdrawn at any time if it is considered that the equipment is no longer in conformity with the requirements of the Regulation 2016/425 on Personal Protective Equipment as brought into UK law and amended.
